

Hot Fired Arts COVID Statement

When you visit the studio to create, pick-up, or drop-off kits know that your health and safety is important to us! We are adhering to best practices as defined by the great city of Frederick and the CDC. We are disinfecting surfaces and have space set up for social distancing.

Masks are required to be worn over the mouth and nose while inside the studio.

Accommodations for non-mask wearers are to use our patio for painting or order on-line and use our contact-free curbside pick-up table to paint at home!

Reservations requested by phone (301-732-6943). Please provide your name, phone number, date and time requested, and number of painters. No deposit is required to reserve a seat. If you make a reservation and cannot keep it, please let us know as soon as possible. Due to limited seating we request only one non-painter per table. Walk-ins are welcome however RSVPs will be seated first.

Masks MUST be worn at all times while in the studio, covering the nose and mouth. We are requesting you not bring in food, but drinks are fine.
